Students interested in making some extra cash and enjoying sports can contact Mr. Geigel at the high school or Mr. Walsh at the middle school and sign up to keep score at next year's middle school volleyball, basketball, or wrestling events.

ATTENTION ALL STUDENTS: the office would like to congratulate all students who had one or less absences during Term 4. A drawing has taken place and the following students have won a Subway gift card for their dedicated attendance: Paul Kobylorz, Ashley Dederling, and Kellie Walsdorf. Please come down and pick up your prize at this time. The next drawing will take place tomorrow morning.

## Mental Health Tip of the Day:

**Take 30 minutes to go for a walk in nature.** Research shows that being in nature can increase energy levels, reduce depression, and boost well-being.
