**\*\*\*GIVE YOUR SMALL CHANGE TO MAKE A BIG CHANGE\*\*\***

Zielanis Elementary School PTP will be holding a grade-level penny war! All money collected will be used for phase 2 of the playground fund. Last year's penny war raised \$1,621.10 for phase 1! Thank you to everyone for participating!

2017 Penny War Start Date: Monday, October 9  
End Date: Tuesday, October 31

The winning grade level will win a surprise reward party!

## PENNY WAR RULES:

- \* Each grade level and staff will have a jar in the office for penny collection.
- \* Each grade tries to fill their jar with pennies. Pennies are POSITIVE points, each penny counts as 1 point.
- \* Each grade will be deducted points for any other currency in their jar. Nickels, dimes, quarters, and dollars are NEGATIVE points. If your grade sees another jar has a lot of pennies "ZAP" them by placing other currency in their jar to cancel out the pennies. For example, putting one quarter in a competing grade's jar will cancel out 25 pennies.
- \* So put YOUR pennies in YOUR grade's jar, and add nickels, dimes, quarters, and dollars to OTHER grade's jars. The grade with the most penny points wins!
