

### Ozaukee Aquatics North Swim Club Opportunity

OZ North swim club is a competitive United States Swimming team that practices at the Kiel High School pool. OZ also runs practices in Cedarburg, Mequon and Grafton. OZ is a community-based, non-profit organization that trains and competes year round. Its mission is to balance personal growth and athletic achievement, through team commitment to strong values, excellence and enduring relationships. Registration is now open for the fall session. Many meets are offered with most in the Milwaukee area & 2-3 hosted by our team at Cedarburg & Mequon High Schools. I do try to arrange for participation in a few meets in our area as well if possible. Four training sessions are offered during the year. Session 2 and 3b will conclude with the Wisconsin State Swimming Championships (winter & summer), Nationals & Zone meet (in summer) for those with qualifying times. All OZ swimmers have the opportunity to achieve time cuts to qualify for state & national level meets. Swimmers choose sessions and meets they participate in. OZ hosted meets are highly encouraged. Volunteer requirements for each session are in place for swim families & are explained during the registration process. There is a penalty fee for not fulfilling volunteer requirements. Swim practices are held on Monday, Tuesday & Thursday evenings from 6:00-7:30 pm at the Kiel High School pool. An additional practice day will be in place for the Junior/Senior+1 group. Practice length depends on the level your swimmer is placed in. Below are the levels and costs for training at the Kiel pool. You can also look at more team information and meets at [ozaukeeaquatics.com](http://ozaukeeaquatics.com). A USS yearly membership is required to participate (\$65.00 and renewed in September) & provides the swimmer with liability insurance. Registration is completed online at the team website.
