

Tractor Safety

Summer 2018

For Ages 12 & Older

This class shows the student how to operate a tractor over 20 PTO horsepower, including how to connect and disconnect equipment or equipment parts.

Topics include:

- Specialized machinery for livestock
- Toxic environments
- Agricultural chemicals
- Blasting
- Fertilizer
- The youth certificate program

Attendance is mandatory at ALL training sessions. A parent or guardian must accompany his/her child to the first hour of the first session. A short presentation on parent responsibility will be conducted at that time.
