

September 20, 2017

What a fantastic homecoming week it was in the Kiel Area School District! From the powder puff football game, to the high school skits, to the parade, this week truly showed the powerful school and community spirit in Kiel. During homecoming week we celebrate our current students and their achievements, yet we are always reminded of the well established and proud traditions as we welcome back our former students and community members!

We are proud of our football team which improved to 5-0 on the season, as well as the accomplishments of our cross country, soccer, tennis and volleyball teams. We also pride ourselves on our sportsmanship; our baseball team was presented with the sportsmanship award at the state tournament for their positivity, attitude and love of the game. All of our sports teams and clubs remind us of the great students and families that are in the Kiel Area!

Finally, in light of the recent tragic loss of one of our beloved students, our staff and community joined together in support of family, friends and one another. It is amazing to see the caring and supportive power of a group of people in times of tragedy.
