# New summer, new friends, new hope!

Camp Lloyd is a week long day camp for grieving children. It's filled with fun activities such as arts and crafts, music, games, swimming, and hiking. It is also a time for campers to explore their own experiences of grief over the loss of a loved one, realize their feelings are normal and find support from one another. The Camp Lloyd staff consists of faculty trained student interns from UW-Green Bay and professional grief counselors.
