**Veteran's Day Ceremonies**

I had the pleasure to attend all three of our ceremonies today. They were all uniquely fantastic in their own way. I was so impressed with the amount of respect that our students and staff showed to our veterans in attendance. Many veterans shared positive comments regarding our programs.

**Out and about this week**

I was able to be out and about this week in the schools. I really enjoy getting to know our students and seeing the great things that they are learning and accomplishing. I was at the high school for a few hours meeting and greeting students and spending time in the first block classes. I was also able to talk to students at the middle school and visit Zielanis. Please continue to ask your children what they are learning!

Have a wonderful weekend everyone!

Brad
