

KIEL AREA
SCHOOL
DISTRICT

A Second Century Of Excellence

July 2017

Hello Everyone!

Welcome to the Kiel Area School District! I hope that your summer has been relaxing and that you have found time to enjoy the sun and outdoors with your families!

I am so excited to be your new District Administrator! I am very much looking forward to meeting all of you and cheering on your children at all of the school and community events that we will attend together.

Let's be sure to do everything that we can to work together to ensure that ALL students are successful; we can do that by supporting them in every possible way!

The Kiel Area School District has the support of our parents, businesses and other community partners. We are "better together" and our "all hands on deck" approach will benefit all students, staff and the community! Our partnerships, as well as our staff will do their best to involve you in all aspects of your child/ren's learning experience. A school district is most successful when all members of the community are working toward the academic, emotional and social success for ALL students!

I have lived in the the Kiel Area Community for a number of years and I know that it is a safe, friendly and wonderful place to raise your children. We are known as the "*Little Community that Does Big Things*" and our schools and students are a huge part of that!

Thank you, and I am sure that we will talk soon!

Dr. Brad Ebert
District Administrator
