## Online Co-Curricular Registration

Beginning this school year, all Co-Curricular Forms will be available **AND** submitted online. All information will be available online through rSchool Activity Registration website. Please see the information below on how to register.

<https://kiel-ar.rschooltoday.com/>

**Step 1:** Create an account using the website above. rSchool Activity Registration line is also found on the KHS Website under ATHLETICS. Use your personal email and password you created to sign in.

**Step 2:** Complete the Student Information page

**Step 3:** Select Activity you wish to register for. You can select for the whole school year!! **Step 4:** Complete the Parent/Guardian Information

**Step 5:** Complete Physical Information. You will also need to upload your completed physical form signed by the physician.

**Step 6:** Complete the Medical Information

Here is a detailed example of the registration process and how to proceed once you are registered. We will **NOT** be doing online payments through this registration system, so you can disregard #6 on this guide. You can continue to do online payments through your Skyward account.

## [rSchool Activity Registration Parent Guide](#)

The goal of this process is to streamline the registration process, having all the forms electronically submitted, allowing parent access to information to update, and streamlining to meet WIAA requirements (rSchool is a WIAA partner).

If you need assistance, please contact Mr. Walsh at Kiel High School.
