

Your  
**summer**  
just got a *little easier...*

Zielanis and KMS will once again offer pre-packaged school supplies for the 2018-19 school year!

Just kick back, grab your favorite summer beverage – and with a few clicks, your school supply shopping task is complete.

School Tool Box™ comes with teacher-approved school supplies and includes trusted brands like Fiskars, Elmer's and Crayola.

You can easily select all of the items from your **class list**, as well as **customize** to **add extras** (because you always need more pencils) or **subtract items you already have** (like a ruler or calculator).

*Avoid chasing from store to store –*  
it just takes minutes to click what you need, and it shows up at your door!

Watch your email in early July for the link to our order site!!

Sponsored by Zielanis & KMS Parent-Teacher Partnership.
