

October 18, 2017

In the coming weeks students in the Kiel Area School District will be presenting a number of events that will welcome the community into our schools.

This past week we welcomed our parents into our classrooms to learn about their student's achievements and goals at parent teacher conferences. We also celebrated a conference championship by our girls cross country team. Congratulations Lady Raiders!

On Friday, our football team took to gridiron in the first round of the playoffs. #Raiderpride

The district would like to invite the community to its annual meeting on October 25th, at 6:00 pm in the high school theatre.

The Kiel Middle School Band will lead a parade on Sunday, October 29th following the trick or treat fest activities that begin at 1 pm in the Middle School Gymnasium.

Kiel High School will be presenting Shrek the Musical November 2nd through the 5th. Tickets are available at www.showtix4u.com.

As Veteran's Day approaches, the Kiel Area School District takes time out to recognize Veterans. Each of the three schools will be honoring Veterans with a program on Friday, November 10th. The Kiel Middle School program will begin at 10 am, followed by Kiel High School at 10:30 am and Zielanis Elementary at 1:00 pm.

We encourage you to attend as many of these events as possible as we continue to celebrate and support our students!

Brad Ebert
District Administrator
